About the University:

The Galgotias University NAAC A+ Accredited, sponsored by Smt. Shakuntala Educational and Welfare Society has been established by the state of Uttar Pradesh Act, 14 of 2011. Now in the year 2023, the University has grown to more than 25,000 students with 13 schools, 19 departments, and 100+ programs at UG, PG, and Ph.D. Levels with more than 1000 highly qualified faculties and staff members. Galgotias University's record-breaking placement every year is an apt testimony to its focus on upholding the highest academic standards right from selecting top faculty and imparting education via world-class pedagogical practices for the personality development of the students.

About the School:

School of Basic & Applied Sciences is one of the founding schools of Galgotias University. It comprises of the following divisions - Forensic Science, Physics, Chemistry, Biochemistry, and Clinical Science. It is home to 108 nationally and internationally recognized faculty members of which 85% of the members are doctorates from eminent institutions like IITs, NITs, DU, BHU, etc. Most faculty members in the school have industrial experience and balance their efforts between teaching and applied research. The school has 30 successful and running Industrial and Academic MOUs.

About the Division:

The Division of Forensic Science at Galgotias University offers B.Sc. (H), M.Sc., and Ph.D. programs in Forensic Science. GU had taken the initiative to start the aforesaid programs of Forensic Science in the academic year 2012 with the objective to impart students with a strong theoretical, practical, and experimental foundation and thereby gain specialized skills that would enable them to execute forensic expertise. Currently, we have 300 plus students in graduation and post-graduation programs and more than 50 Ph.D. scholars pursuing Forensic Science. The Division has fully equipped Labs and well-maintained infrastructure. The Division regularly arranges student and expert interactions, workshops, seminars, webinars, guest lectures, and conferences.

About the Conference:

It is indeed our proud privilege to be the host for the (6th) Forensis Agora - '2nd International Conference on Neo Era in Forensic Science & Law Interface' on 22-23 April, 2023 at Galgotias University, Greater Noida. The Conference has been designed for professionals engaged in various fields of Criminal Investigation, Legal Proceedings, Research, and Academics. The aim of the conference is to provide an opportunity to bring together the scientific and legal community involved in the various aspects of criminal investigation, as well as to share and discuss the various advances in this field. This two-day International Conference will have plenary lectures, invited lectures, panel discussions, and paper/poster presentations by the participants representing various Forensic Science and Law institutions/organizations. It will be our endeavor to make this learning experience an academic feast for one and all.
